

On July 12, 2021, FDA made available the draft guidance entitled “FDA Oversight of Food Products Covered by Systems Recognition Arrangements; Draft Guidance for Food and Drug Administration Staff” in the **Federal Register** (86 FR 36559). The comment period closed on September 10, 2021. FDA received no comments on the draft guidance. The Agency made minor editorial changes to the guidance to improve clarity. The guidance announced in this notice finalizes the draft guidance.

This guidance is being issued consistent with FDA’s good guidance practices regulation (21 CFR 10.115). The guidance represents the current thinking of FDA on the topic of SRA implementation. It does not establish any rights for any person and is not binding on FDA or the public. You can use an alternate approach if it satisfies the requirements of the applicable statutes and regulations.

II. Paperwork Reduction Act of 1995

While this guidance contains no collection of information, it does refer to previously approved FDA collections of information. Therefore, clearance by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3521) is not required for this guidance. The previously approved collections of information are subject to review by OMB under the PRA. The collections of information regarding the Foreign Supplier Verification Program have been approved under OMB control number 0910–0752, the collections of information regarding the Hazard Analysis and Critical Control Point Procedures for the Safe and Sanitary Processing and Importing of Juice have been approved under OMB control number 0910–0466, and the collections of information regarding the Hazard Analysis and Critical Control Point Procedures for the Safe and Sanitary Processing and Importing of Fish and Fishery Products have been approved under OMB control number 0910–0354.
